The paganization of North America has changed the role of effective leadership. Whereas the 20th century required good, caring leaders who functioned in the safety of a National Park-like environment, the 21st century requires great, transformational leaders who can function in a jungle-like environment. This seminar explores how great leaders are made in the emerging new world. Pastors and other leaders – this may be the single-most important leadership training session you ever take!

Spiritual Renewal

Renewal in the Church
Jill & Stuart Briscoe

Renewal in and of the church is a hot topic today. Some see the need for a radically new approach to church life and ministry, others believe strongly that we need to return to our roots and rediscover what made the early church so effective. G.K. Chesterton said, "Never remove a fence until you know why it was erected." We will look into the historical record of the early church called "The Acts of the Apostles" to see what was erected and if it should be removed or rediscovered. Come, live a vital life within the Body of Christ.

WHO ARE WE?

New Creation Ministries is an evangelical Christian ministry which was founded in 1977 with the goal of sharing the life-giving message of the Gospel in the language of the people.

Since that time, God has blessed this ministry with high impact and encouraging growth. Over the years, the supporters of this ministry have helped us carry out over 7000 outreaches in North America and overseas.

New Creation Ministries' vision is to see all people live a life of worship in Christ Jesus. We do this by sending out ministry teams to hold evangelistic outreaches, renewal events and Break Forth International workshops to equip churches in worship and outreach skills. We also produce resource materials to develop the worship life of the church. New Creation Ministries is a ministry that seeks to work hand-in-hand with the local church in sharing the Gospel.

ANNIVERSARY

Did you know that 2007 marks the 10th anniversary of Break Forth Canada and the 30th anniversary of New Creation Ministries / Break Forth Ministries? Watch for special celebrations at Break Forth Canada 2007 to mark this God-blessed milestone.

WE'RE CHANGING OUR NAME

New Creation Ministries is changing its name to Break Forth Ministries to better align with our events, resources and world-wide expansion. Our mandate of seeing people reached with the Gospel in creative ways will remain the same. Only the name will change.
