

Contemporary Creed

We believe in God the Father Almighty, Creator of heaven and the earth. He is our God and we are His people, the works of His hands and the treasure of His heart.

We believe in Jesus Christ, God's only Son, who was born of a virgin, died on the cross for the forgiveness of our sins, and rose from the dead. He ascended into heaven where He rules with the Father in all power and authority. He is our Redeemer, and we are the sheep of His pasture, receivers of His abundant grace.

We believe in the Holy Spirit, the Giver of Life and the power of God at work in us and in the church today. Day after day He guides us and keeps us strong in the one true faith, that we may serve God and others and wait with great joy for that last day when Christ will return to take us home to live with Him in eternity. This we believe and confess with our whole heart, soul, and mind, for it is most certainly true!
