

ARLEN AND ELSA SALTE TO NICARAGUA

continued from page 3

We are excited to report that, in addition to the partnership with an entire project in Nicaragua, through Break Forth Canada we have seen 600 children sponsored.

Thank you for making worship more than just singing songs. Thank you for making your worship an act of service to those who need to experience the love of Jesus.

BREAK FORTH SONGBOOK UPDATE 6 RELEASED!

We heard the cry from churches. "Why do I have to buy a new songbook every year with 2/3 of the same songs that the last songbook had? Why are they in such high keys? Our church can barely sing the songs! Why are so many songs placed in difficult keys for guitarists?"

We desire to provide the best resources for the local church worship ministry. Our Break Forth Songbook does just that! Here's how it works . . .

You purchase a core songbook in a three ring binder. After that, instead of purchasing a new songbook every year, you simply purchase an update with new songs, slip them in your binder and you're good to go.

Every song selected is in vocal friendly and guitar friendly keys. Included in the core songbook are chord charts, thematic sets, scripture references and more.

We now have Update #6 ready to go. The purchase price is just \$12 Canadian.

Songs include: **Wonder Of The Cross** (Robin Mark), **Arise** (Paul Baloche), **All The Earth Will Sing Your Praises** (Paul Baloche), **Cry In My Heart** (Starfield), **Everlasting** (Brian Doerksen), **Filled With Your Glory** (Starfield), **Offering** (Paul Baloche), **Today** (Brian Doerksen), **PLUS: Ancient Words, Beautiful One, God is Great, Holy is the Lord, Humble King, I Surrender All, Indescribable, Lord My Desire, O Worship The King, We Are Hungry, You Are So Good To Me**

If you have the core songbook and the other five updates, order Update #6 today to stay current. If you haven't started your collection, why don't you begin today?

SPRING 2005

10,000 ATTEND BREAK FORTH CANADA 2005

Thousands from different ages and backgrounds join in worshipping God at Break Forth Canada 2005

"I seriously cannot say enough good things about the weekend. God spoke to me. I know that. I received a fresh revelation of the grace and mercy of God. I have been a Christian my whole life, but sometimes I get caught up in the busyness of life and stuff. This weekend was such a wonderful time of encouragement and renewal for me. I have been raving to everyone about how wonderful it was! I want to come back every year." - a quote from a registrant

Approximately 7,000 registrants sold out Break Forth Canada 2005 in November — more than 2 months before the conference. We were saddened to turn many away. In addition to the main conference registrations, there were over 2,000 for the Intensive Learning Workshops on Friday and 3,000 more for various worship concerts.

One of the exciting new additions to Break Forth Canada this year was the new youth track called Infuzion. This was for teenagers 14

years of age and older. It was thrilling to hear of families that were able to come together to experience a weekend of common renewal, equipping and worship. We kept Infuzion to an intimate group of 200 young people who were serious about stepping deeper in their walk with God. Infuzion sold out.

We heard great things about the ministry at Infuzion. One of the presenters wrote to say, "On the weekend we saw around 60 students either give their lives to Jesus for the first time or get back into relationship with him. We saw many of the kids make decisions to go deeper in their relationship with God and make commitments to remove those things that were hindrances in their relationship with Him. The hunger and attentiveness in the group was amazing. We had a group that wanted more of God."

This year 137 classes, 17 Intensive Learning Workshops, multiple concerts and many worship gatherings were held. Break Forth Canada is now the largest event of its kind in North America. Just wait until you see what's coming for Break Forth Canada 2006 - January 27 - 29, 2006!

TO LATVIA WITH LOVE RAISING UP LEADERS WORLDWIDE

Arlen Salte and a team of leaders will be traveling to the little country of Latvia in October to minister to leaders from around the world. Leaders are expected from countries such as: Norway, Denmark, Sweden, France, Germany, Poland, the Czech Republic, Russia, India, Bangladesh, Thailand, Japan, Tanzania, Namibia, Brazil, Papua New Guinea and Kenya.

It would be impossible to visit the leaders in each of these countries in a year so bringing them to Latvia is an effective way to multiply ministry. Each of these leaders will go out and influence many other leaders for Christ.

Following our ministry in Latvia, Arlen will head to Finland to lead worship and participate in what has been called the 'Nokia Revival.' Arlen has ministered many times in Finland over the years. God is breaking forth in this once spiritually dark country!

Please pray for a mighty move of God in Latvia and Finland.

YOU CAN PARTICIPATE IN THE 'TO LATVIA WITH LOVE' AND 'FINLAND REVIVAL' PROJECT THROUGH A GIFT TODAY.

A CHANGE OF NAME!

New Creation Ministries began in 1977. Our mission has never changed but our methods have as we have adjusted to the changes of culture. Although we have a rich history as New Creation Ministries, the name Break Forth is everywhere. So, moving with what God is doing at this time, we will begin using the name Break Forth Ministries, a ministry of New Creation Ministries. This will be used consistently in our ministry in Canada, the USA and throughout the world.

All donations are still to be given to New Creation Ministries but we will start using Break Forth Ministries in all of our promotional materials. The mission hasn't changed, just the name.

DID YOU KNOW?

It took approximately 500 volunteers to run Break Forth Canada 2005. We are so grateful for each one. One little staff team could not do it alone. Please contact us to volunteer at Break Forth Canada 2006. Be part of something great!

Our USA partner ministry, Break Forth Ministries has been granted full not-for-profit (501C3) status in the United States.

Requests for international ministry are growing, from Southeast Asia to Australia to India.

The Break Forth Hymns CD is already in its second pressing. Check it out!

Arlen Salte received his Doctorate in Practical Ministry on March 16th. His concentrations were in Worship and Leadership.

Brian Doerksen led the opening worship service with a powerful blend of ancient hymns, new songs, creeds, symbols, worship dance, choir, string section and more. Based on Nehemiah, we were challenged to rebuild the walls in our lives, our churches and our nations.

QUOTES FROM REGISTRANTS

Youth in worship

"This was my first Break Forth, definitely not my last. I was challenged, blessed, encouraged, renewed. You blessed me, my husband and our teen son this weekend, thank you for giving so much of yourselves to bless us and about 7000 others!"

"This was my first time going to Break Forth, and I will definitely be going back! It was a wonderful, awesome, incredible weekend for me. The workshops, the main sessions, the worship leaders, the opportunity to volunteer for something so wonderful...IT WAS AMAZING!"

Bruce Wilkinson

"I keep wanting to use adjectives like, "marvelous, awesome, amazing, tremendous..." etc. but to put

in words the movement of the Holy Spirit just doesn't work. How do you tell someone how it felt to worship with 7,000 believers for an hour and a half and not even be aware of the time passing? Or to listen to Bruce Wilkinson and be so engaged in his message that you weren't aware of anyone around you but you knew without a shadow of a doubt that God was speaking to you?? It's hard and almost impossible to put it into words, but I am trying!! And every time I begin to share, I begin to cry and get all choked up, which is embarrassing...but it tells me how deeply God moved in my life."

"I have attended six Break Forth Conferences and this one was, by far, the best organized, most powerful, most life changing and the most well paced."

"We took 18 people from our church this year and almost everyone shared a real positive, if not life changing, testimony of what they received from the Lord this past weekend. Thank you so much for your ministry and effort to hold this event yearly. Your toil is not in vain!"

REGIONAL BREAK FORTH WORKSHOPS TOUCH THOUSANDS!

Our partners in ministry have helped to sponsor Regional Break Forth worship workshops throughout North America. Thousands of people in over one thousand churches have experienced training, renewal and powerful times of worship.

These workshops do far more than equip praise team members and pastors. The closing, community-wide worship concert is often a packed-out event that reaches many people who do not come to church but are brought by their friends. At these worship concerts they experience wonderful times of worship that speaks to their heart and they hear a clear presentation of the Gospel.

Recently at the closing worship concert at an event in Toledo, Ohio, a teenager came forward to say, "I just experienced the most joyful night of my life." This young man came to the concert from a halfway house. He is a new Christian brother.

We want to thank all of our supporters who have helped to make this possible through their prayers and support:

"This past Thursday, at praise team practice, I had the members share a highlight from the Break Forth weekend. They were so excited about it all and what they had learned, they couldn't stop talking! At times, they were talking on top of each other, finishing each other's sentences, etc. One of the fellows (a doctor who is very precise and methodical and I thought would question the workshop) started with a list of FIVE highlights and would have gone on and on had I not stopped him (to give others a chance to share)! He was very thrilled with the workshop. All the members were so thankful for their experience. Their responses really "fed my soul". Praise the Lord. Many prayers were answered. A gal in the congregation (new adult convert) said it the best. She said, "It was so refreshing to be able to lift my hands and praise the Lord, and not just be a 'pillar of salt'!!!"

"The Lord used you to draw many closer to Him. From your phenomenal music to the workshop teaching, it all was wonderful, filled with the Spirit and presence of the Lord, inspiring, practical and so enjoyable. Thank you for being such usable, willing and humble servants. We are so grateful to God for all that He did through you..."

"My wife and I and are still basking in the after-glow of your workshop this past weekend. Saturday was a very emotional, uplifting, and meaningful time for us. Sunday night we returned with our deaf son to enjoy the concert. We sat on the front pew next to the keyboard and drums, so that our son could catch the action visually. Amazingly, he clapped in time and asked us why all the folks were jumping up and down, because as "frozen chosen Presbyterians", he had not seen that before. May the Lord continue His great work through you. You are in our prayers."

ARLEN AND ELSA SALTE TO NICARAGUA

Some of the children from the project that Break Forth sponsors.

Arlen and Elsa Salte, along with a team of Christian broadcasters, spent time ministering in Nicaragua this February amongst the poorest of the poor. They were able to see first-hand the work of Compassion.

They were also able to spend time in one of the projects that Break Forth has been a part of sponsoring. At this project, each family of a sponsored child is in a weekly discipleship program where

they hear about the love of Christ. It is wonderful to know that not only are physical and educational needs being met but that spiritual needs are seen as essential in the ministry of Compassion and in partnership with Break Forth.

One of the more disturbing visits was to a city garbage dump where children and adults rise before dawn to pick through the refuse in order to feed their families. The average income is under \$2 per day.

Yet, in the midst of despair, the team witnessed marvelous hope. People were receiving education they would not normally receive, they were receiving nutritious meals, and most of all, they were receiving the gift of being nurtured in the Good News of Jesus.

Working at the garbage dump where the average income is under \$2 a day.
